Verlingue London Markets is recognised as a leading broker offering exceptional service into Lloyd's and the London Market. The strong relationships we have developed with insurers enable us to create the right solutions for our broker partners.

## Why choose us?

We are not a high-volume placement house. Instead, we partner with brokers to build tailored placement strategies for complex or hard-to-place risks. Our strong insurer relationships and broad market access allow us to deliver bespoke solutions that meet the most demanding needs.

With dedicated business development support and the ability to negotiate commission on a case-by-case basis, we provide flexibility, responsiveness, and a genuine commitment to helping brokers win and retain clients.
